Short Description of the Company	European Network Remembrance & Solidarity (ENRS) is an international initiative created in 2005 by the Ministers of Culture of Germany, Poland, Hungary and Slovakia. Its member states include the founding countries and Romania.		
	The main goal of the ENRS is to document and promote the study of 20th-century history and how it is remembered. Its fields of interest centre on times of dictatorial regimes, wars, and resistance to oppression.		
	Until now the ENRS has implemented numerous projects, including international conferences, workshops and publications dedicated to European memory. It also offers educational projects (exhibitions, reviews of films, activities involving different forms of art) with the purpose of building historical awareness among youth and better relations between European societies through discussing our common past.
